

FULL FACE MASK X-PLORE® 6300

Dräger X-plore® 6300 - Full Face Mask

This full face mask is designed for budget-conscious users without compromising on comfort and quality.

Key Features:

- **Secure and comfortable fit:** The mask body is made of EPDM, a durable and skin-friendly material. The double edge with triple sealing action ensures a secure and comfortable fit for any type of face.
- **Wide field of vision:** The scratch-resistant, distortion-free Plexiglas visor offers a 180° viewing angle, ensuring an excellent panoramic view.
- **Efficient ventilation system:** The efficient ventilation system with separate inner half mask prevents the visor from fogging up, ensuring optimum vision.
- **5-point harness:** The comfortable 5-point head harness allows for quick and easy donning and doffing of the mask, avoiding pressure points on the head.
- **Versatile use:** The Dräger X-plore 6300 mask is equipped with an Rd40 connection in accordance with EN 148-1 and can be used with the wide range of Dräger X-plore® Rd40 filters.

This mask offers reliable respiratory protection and also protects the eyes against hazardous substances. It is ideal for critical situations.
